### SpoResPAR Software- WPAS Certification

Dear Arnold,

With this letter I would like to officially confirm that the SpoResPAR from arpo-SportSoftware has been verified by WPAS and is compatible with the IPC Sports Data Management System (SDMS).

The software SpoResPAR from arpo-SportSoftware has gone through all steps of verification and can be used in Para alpine skiing competitions that are officially sanctioned by the WPAS.

We would like to thank you for your work and support in the development of our sport.

If you have questions, please do not hesitate to contact me. Feel free to share this letter with anybody asking for proof of the software certification.

Kind regards,

Antonio Chiracu
